# "DIAMOND QUEEN" AND

fficers Go To-Morrow to Get Pair Abandoned

When War Opened.

Advices were received by the Police Department from the Department of State to-day that the French Govnment is ready to surrender to the New York authorities Antoinette Bonner, the "Diamond Queen," and Jo-seph E. Kesslinger, who are in prison

Lieut. Michael Summers and Desective Barney Dietch will start for France on the steamer La France to-

of selling diamonds on momogradum. By her industry and fair dealing she gained the confidence of the diamond dealers of Maiden lane. Then she gathered up \$180,000 worth of diaonds on credit and disappeared with

May. Lieut. Summers and Lieut. the pair. The prisoners fought extra-

The cotton situation in the South is a delicate one, but you can help by purchasing goods made of cotton. Simpson-Crawford's are helping by marking their cotton goods at attractively low prices. A few examples as follows:

dition, and then the war came on and tied up the steuths. Finally, after they had reached Cherbourg with their prisoners, they were instructed to leave them there and come back to New York.

Summers and Collins were handicapped in their mission last summer because of their inability to talk anything but Police, which is different even from English. Dietch will no money for postage we got transfers of appropriations within the department even from English. Dietch will no money for postage we got transfers of appropriations within the department wherever they were available. Then, when these funds were exhausted, we dickered with the United States Post-Office and were turned down."

Mr. Davis was appealing to the Finance in the could go on. The committee of the Board of Aldermen for \$5,087 to replentsh his accounts his accounts, so the work could go on. The committee, after an executive seasion, decided to favor the appropriation, which will be voted on by the board last this afternoon.

"We must carry on a great deal of our work," and Mr. Davis. "When we had no money for postage we got transfers of appropriations within the department wherever they were available. Then, when these funds were exhausted. Alcohol or dangerous drugs.
